## CORNERSTONE CHRISTIAN ACADEMY

Inaugurated in 2004, Cornerstone Christian Academy now serves kindergarten through 12th grade. The school is located just southwest of downtown McKinney, Texas. Cornerstone Christian Academy is a certified University Model School® (UMS), operating under parental authority to produce disciples who will influence our culture for Christ. University Model Schooling® is a unique approach that integrates the best of homeschool, traditional, full-time private and public school, into an affordable, exciting, biblical (a-denominational) educational model.

Students from elementary through high school go to classes the way most college students do, that is, three days per week. The students receive professional, highly engaging instruction at school on Monday, Wednesday, and Friday from degreed, caring teachers. On Tuesday and Thursday, they engage with their studies at home (the satellite classroom) under a parent's guidance. During junior and senior year, high school students may experience a true college class schedule by attending classes on a MWF and/or a TTH block schedule.
